

# Design Possibilities are Endless with N-FINITY Tiles, a new and UNIQUE CONCEPT of repeat PATTERNS

Villa Lagoon Tile is introducing, N-Finity Tiles, a new collection of handmade encaustic cement tiles from designer Stu Neyland of Neyland Design. This design patterning offers the utmost flexibility and versatility, with tiles that can be arranged in **any direction** to create a **random** or **traditional** repeat patterns

The inaugural N-Finity Collection features 8 unique styles, from geometric to ethnic, all designed to achieve aesthetic balance no matter how you place them, which makes each installation a **unique work of art**.

**About the artist:** Stu Neyland is inspired by the natural beauty around him on the island he calls home off the west coast of Florida. Always enamored with play of negative and positive shapes, especially in nature;

those are the inspirations you will see reflected in the designs as he brings art into homes, businesses and outdoor living spaces.

Stu will be happy to design custom one-of-a-kind tiles for any installation. All designs will be produced and shipped by Villa Lagoon.
